Registration and Title Bulletin # 2-00

TO: All County Tax Assessor-Collectors

SUBJECT: Retention of Additional Registration Fees

PURPOSE

To provide information regarding Transportation Code §502.102 which provides that each county shall retain additional registration fees in an amount equal to five percent of the motor vehicle sales tax and penalties collected under Chapter 152, Tax Code, in the preceding calendar year.

The Comptroller of Public Accounts has provided this division the preliminary 1999 motor vehicle sales tax revenues for each county as of October 31, 1999. The amount shown for your county in the column labeled "Retainage" is the **estimated** five percent amount you are entitled to retain during calendar year 1999.

Therefore, beginning January 1, 2000, in addition to the motor vehicle registration fees that you retain as currently provided under Transportation Code § 502.102, you may also retain this amount. The Registration and Title System (RTS) will use these amounts when generating reports for counties.

Around March 2000, the Comptroller will provide this division with a certification of the actual amount of motor vehicle sales tax and penalties collected by each county in calendar year 1999 under Chapter 152, Tax Code. Should the actual amount of tax and penalties collected by your county differ from the amount of the Comptroller's original estimate, your office will be notified accordingly so that an adjustment can be made. Any changes will be reflected in the RTS reports.

The amount of motor vehicle registration fees collected by some counties may be insufficient to cover the amount authorized to be retained under Transportation Code § 502.102. In those instances, the Comptroller shall, upon request of the county tax assessor-collector, authorize the county to retain a portion of the motor vehicle sales tax to cover the deficiency. Questions regarding motor vehicle sales tax should be directed to the Comptroller of Public Accounts, PO Box 13528, Austin, Texas 78711, 512/463-4600. Other questions concerning this subject may be directed to Claudia Woods, Chief of Registration, at 512/465-7923 or your local Regional Office. Thank you very much.

Sincerely,

David G. Longoria

for Jerry L. Dike, Director
Vehicle Titles and
Registration Division
