We propose to perform electrical services to install a 50 amp disconnected circuit and whip in the IT closet

1. Provide labor and materials to run all raceways and wire from electrical panel

2. Provide labor and materials to mount a disconnect and install whip for IT equipment

3. Test, label, and verify proper operation of all new installations.

4. All necessary labor and materials provided for the above described work.

#### \* Net due upon receipt of invoice. Remit to P.O. Box 300008, Dallas, TX 75303-0008

Thank you very much for the opportunity to provide pricing for the work listed above. Please contact me at the numbers listed below if you have any questions or need further information.

Respectfully submitted,

#### Shaun Nash

## Clarifications:

- This proposal is based on performing work during normal business hours.
- All pricing is based on award of contract and work commence not later than 60 days from the date of this
  proposal with pricing subject to review after 30 days from the date of proposal.
- Proposal is inclusive of all permits and inspections as required by local and state agencies. Where work is being performed under a General Contractor we will validate under Contractors Building Code permit.
- Price is based on the assumption that the structure is of sufficient strength that all piping and equipment can be supported from it.
- TDIndustries, Inc. assumes no responsibility for existing services / conditions, their quality and/or performance.
- TDIndustries, Inc. assumes no responsibility for condition of utilities or parking lots/roadways above or below grade.
- TDIndustries disclaims any responsibility for incorrect data contained in the plans, specs and/or engineering data.
- Proposal is based on use of building elevators.

### Exclusions:

- Payment or Performance Bonds.
- Additional work required meeting OSHA or NEC standards.
- Additional work that may be required by the city or building codes to meet existing codes.
- Any additional work not listed in the scope above.
- Any pre-existing conditions.
- Sheetrock cutting, removal or patching of any nature.
- Painting of any nature.
- Structural engineering or Structural work.
- Ceiling removal or replacement other than described in above scope of work.
- Landscaping repairs or replacement.
- Floor x-rays for concealed conduits or post tension cables. Any repairs are the owner's responsibility.
- Concrete cutting, removal and replacement.
- Energy Management System (EMS) or connection to the EMS.
- Openings or revisions to openings through steel beams in the building for penetrations.
- Fire-stopping of wall and ceiling penetrations.
- Preventive and required maintenance during first year.
- Roofing work.
- Cutting roof deck.
- Repair or replacement of faulty or inoperable components will be quoted and approved in advance.
