PO Information:
Quantity(ies):
Quantities are estimated: TxDMV does not guarantee to purchase any minimum or maximum quantity. TxDMV reserves the right to increase or decrease the quantity(ies) of the purchase order at the same original terms and conditions. The vendor will be notified in writing by purchase order change notice of any requirements for any increased or decreased quantity(ies).

Change Orders:
Change orders will be allowed only if unforeseen conditions arise such as, but not limited to, increasing or decreasing quantities or if the department needs dictate changes. All changes shall be in the scope of original work. No verbal change orders shall be permitted. All change orders must be in writing with a Purchase Order Change Notice (POCN) issued by TxDMV Purchasing Section.

Payment:
Payment will be made in accordance with the Texas Prompt Payment Act, TGC, Subtitle F, Chapter 2251. Vendor shall submit one copy of a correct itemized invoice showing the purchase order number, payee ID., remit to address, and phone number on invoice. Vendors may submit an electronic invoice. All electronic invoices shall be sent to DMV_FIN-INVOICES@txdmv.gov (note: There is an underscore "_" between DMV and FIN). All invoices received at the email address will be filed for future reference and you will receive a receipt confirmation email. To avoid the confusion of duplicate invoices, please do not send other copies of this invoice via regular mail, fax or other means. On emails for electronic invoices, include the company name (as it appears on the invoice) and the purchase order number in the subject line to assist in identifying and processing your invoices in a timely manner. TxDMV will not incur any penalty for late payment if payment is made in 30 days or less from receipt of goods or services and a correct invoice, whichever is later.

Note: Warrants will not be issued to a vendor without a current Texas Identification Number.

"This procurement is governed by the terms and conditions in Department of Information Resources (DIR) Contract Numbers DiR-TSO-4000."

POCN #1
10-30-19 through 12/17/2019
Tiffanay Waller
Changes the buyer from Ron Hunter to Tiffanay Waller. Put contract end date in as 8-31-2020. Line 6 was being held in PO and awaiting dispatch when DIR approval is made. The due date for DIR approval is 1-13-2020. The PO is expiring on December 31, 2019 and needs to be extended to August 31, 2020. So Line 6 on pending PO was sourced back to the Requisition and canceled on awaiting PO so that a new date can be dispatched.

POCN # 2
3-26-20 - THW
Vendor inform me 3-23-20 that the only work completed on this PO was milestone one - in which they billed us for but this will be obsolete and will need to be done over from the beginning to continue the work. To continue work on project the vendor communicated they had equipment needs for a server that could not be met by the agency to complete the work. Wendy authorized the cancel of PO via email on 3-25. Lines 2 - 5 were cancelled to return funding back to the budget for other use.
