* Consistent failure to respond to service calls within the required time frame. Consistent failure is defined as not responding at any or all locations on two (2) out of three (3) consecutive occurrences.

* On-Site maintenance performed by unqualified technicians. If TxDMV determines that the technician is unable to perform in accordance with the service requirements or fails to communicate effectively, the vendor shall immediately remove the technician.

Hardware upgrades are negotiable, are at TxDMV's discretion and shall be changed to TxDMV. Upgrades will not extend past the duration of the lease period regardless of when added.

Technology Upgrades: Any software or firmware full service maintenance upgrades available during the term of the lease shall be offered at no additional cost to TxDMV.
