time the equipment is in the possession of TxDMV except when loss or damage is due to the fault or negligence of TxDMV. The State shall not obtain property or casualty insurance protecting the vendor's equipment on State property. The vendor may obtain such insurance for its own account and assumes all costs associated with such insurance.

* Consistent failure to respond to service calls within the required time frame. Consistent failure is defined as not responding at any or all locations on two (2) out of three (3) consecutive occurrences.

Note: warrants will not be issued to a vendor without a current Texas Identification Number.

Installation instructions:

The unit shall be supplied with complete installation instructions. Instructions shall be as detailed as possible.
