MOTOR CARRIER RESPONSIBILITIES

Motor carriers traveling in Texas must comply with federal and state operating requirements. A number of agencies are involved in the motor carrier program and regulations. The Texas Department of Motor Vehicles (TxDMV) provides this brochure as a guide.

MOTOR CARRIER SAFETY

Motor carriers are required to follow specific safety regulations. A Texas Motor Carrier's Guide to Highway Safety is available on the Texas Department of Public Safety (DPS) website at:

<http://www.txdps.state.tx.us/cve/publications.htm>
(Commercial Vehicle Enforcement, Publications).
DPS is responsible for safety enforcement in Texas.

For federal safety information and enforcement, visit the Federal Motor Carrier Safety Administration website at <http://www.fmcsa.dot.gov/>.

COMMERCIAL DRIVERS LICENSE

Most commercial vehicle operators are required to have a Commercial Driver License (CDL). To determine if a driver is required to have a CDL, contact DPS, Commercial Vehicle Enforcement Service, at 1-800-299-1700 (option 6) or visit the DPS website at: <http://www.txdps.state.tx.us/cve/cdlmain.htm>.

The Texas Commercial Motor Vehicle Drivers Handbook is available at:
<https://www.txdps.state.tx.us/DriverLicense/documents/DL-7C.pdf>.

MOTOR CARRIER REGISTRATION

Operators of commercial vehicles and those transporting household goods for-hire must register with the Texas Department of Motor Vehicles (TxDMV) for operating authority. Vehicles exceeding 26,000 pounds and all household goods carriers/movers must file proof of insurance when registering. To register online or for additional information on Motor Carrier Registration, visit www.txdmv.gov or call 1-888-368-4689.

All motor carriers, brokers, freight forwarders and leasing companies who operate in interstate or international commerce are required to comply with the Unified Carrier Registration (UCR) Program. For UCR information, visit www.txdmv.gov (search "interstate motor carrier").

VEHICLE REGISTRATION (LICENSE PLATES)

All commercial vehicles must be registered. When registering for intrastate movement (traveling only in Texas), visit your county tax office to obtain Combination license plates.

Interstate operators (traveling across state lines) may participate in the International Registration Plan (IRP) and apply for Apportioned registration. Apply online at www.txdmv.gov (search "Apportioned") or visit one of the 16 regional offices of the TxDMV.

For additional vehicle registration information or regional office location information, contact TxDMV at 1-888-368-4689 or visit www.txdmv.gov.

TEMPORARY VEHICLE REGISTRATION

Vehicles not authorized to operate on Texas highways due to lack of registration or registration reciprocity, may be issued 72-hour or 144-hour temporary

registrations. Contact your county tax assessor collector or call the TxDMV Motor Carrier Division at 1-800-299-1700 (option 1). For additional information, visit www.txdmv.gov (search "Temporary Registration").

OVERSIZE/OVERWEIGHT LOAD PERMITS
