**IMPORTANT NOTICE ABOUT VOLUNTARY CONTRIBUTIONS TO THE AICPA PAC**

The PAC enables the Institute to have a voice in issues affecting the profession and contribute to federal candidates who understand issues of importance to CPAs and the business community.

AICPA member contributions to the AICPA Political Action Committee (PAC) are voluntary. Contributions are used for political purposes. The amounts shown are only a suggestion. Members may give more or less than the suggested amount. A member not wishing to make a PAC contribution should deduct the suggested amount from the total shown on the dues bill. The AICPA will not look upon any member with favor, or disfavor, because of the amount of the contribution or a decision to make no contribution.

**RESTRICTIONS — PLEASE READ**

The PAC does not accept cash. It accepts individual member contributions made only by personal check, personal credit card, or check or credit card in the name of a sole proprietorship. A contribution made by a corporate or partnership check or credit card will not be deposited to the PAC, but to a separate (non-PAC) account used to pay PAC administrative expenses. Accordingly, members are urged to make contributions by personal check or credit card, or by a check or credit card in the name of a sole proprietorship. The PAC can accept contributions aggregating up to \$5,000 per calendar year from an individual member (including a sole proprietorship).

Federal law provides the following:

- Contributions by corporations (including professional corporations), foreign nationals and federal contractors are prohibited.
- Contributions to the AICPA PAC are not deductible as charitable contributions for federal income tax purposes.
- Federal law requires the PAC to report the name, mailing address, occupation and employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.

Post Office regulations require that we ascribe a portion of membership dues to the cost of the publications we provide as part of membership. These publications, which contain important professional information, such as pronouncements and standards, are essential to all members and therefore cannot be unbundled from the annual dues.

Dues for each fiscal year include a subscription to the *Journal of Accountancy* (\$60).
