Taxes are not included and will be determined upon receipt of the purchase order in accordance with the Texas tax code and the state tax code where services are performed and equipment is shipped. A sales tax exemption certificate is required at the time of purchase. If we do not have a valid sales tax exemption on file from the state in which products or services are provided, that state requires us to charge sales tax.

The price quoted above reflects the amount for payments made via cash, check, or ACH transfer. Please note that a 3% fee will be added to the total if payment is made using a credit card.

Due to the current supply chain disruptions, panel delivery dates are estimated based on assumed part availability. The cost for substitutions, expediting, and alternate sourcing will be added to the hardware cost to meet the delivery date. Changes in the cost of the hardware will be discussed with you before making changes. Any price difference will be submitted by a change order and approved by the customer.
