**PO Information:**

Change orders will be allowed only if unforeseen conditions arise such as, but not limited to, increasing or decreasing quantities or if the department needs dictate changes. All changes shall be in the scope of original work. No verbal change orders shall be permitted. All change orders must be in writing with a Purchase Order Change Notice (POCN) issued by TxDMV Purchasing Section.

**THE FOLLOWING APPLIES TO THE ENTIRE PURCHASE ORDER**

This purchaser order is issued in accordance with a Texas Department of Information Resources (DIR) GO Direct contract.

The terms of the service shall commence on the date of execution of a Copier Lease Commencement Letter by Lessee OR twenty (20) days after the delivery of the last piece of equipment and shall continue for 36 whole months.

This purchase order may be renewed for an additional period of time not exceeding the original period of time, provided both parties agree to do so not less than 60 days prior to the expiration of the original purchase order. The renewed purchase order shall be for the original purchase order unit price, terms and conditions, plus any approved changes. The renewed purchase order may be cancelled at any time by providing 60 days written notice.

Lease shall include delivery, setup, installation, removal, analyst services and onsite user training.

All supplies except paper shall be included at no additional charge for the life of the purchase order.

Ownership: The equipment is and shall at all times be and remain the property of the vendor.

The State shall exercise due care in the use, operations and maintenance of the equipment and shall not use, operate or maintain the equipment improperly.

TxDmv shall be relieved from risks of loss or damage to all equipment leased during the period of transportation, installation, and during the entire time the equipment is in the possession of TxDMV except when loss or damage is due to the fault or negligence of TxDMV.

The State shall not obtain property or casualty insurance protecting the vendors equipment on State property. The vendor may obtain such insurance for its own account and assumes all costs associated with such insurance.

respond to maintenance calls within four (4) business hours.

TxDMV believes a lease is unlikely to be cancelled prior to the full lease term. However, TxDMV may terminate a lease period, with no termination charges assessed, when either funds are not appropriated by the Texas Legislature or for vendor non-performance in these instances:

- Consistent failure to respond to service calls within the required time frame. Consistent failure is defined as not responding at any or all locations on two (2) out of three (3) consecutive occurrences.

- On-Site maintenance performed by unqualified technicians. If TxDMV determines that the technician is unable to perform in accordance with the service requirements or fails to communicate effectively, the vendor shall immediately remove the technician.

Hardware upgrades are negotiable, are at TxDMV's discretion and shall be changed to TxDMV. Upgrades will not extend past the duration of the lease period regardless of when added.

Technology Upgrades: Any software or firmware full service maintenance upgrades available during the term of the lease shall be offered at no additional cost to TxDMV.

This procurement is governed by the terms and conditions in DIR Contract Number DIR-SDD-1686.

Installation instructions:

The unit shall be supplied with complete installation instructions. Instructions shall be as detailed as possible.

Quantity(ies):

Quantities are estimated: TxDMV does not guarantee to purchase any minimum or maximum quantity. TxDMV reserves the right to increase or decrease the quantity(ies) of the purchase order at the same original terms and conditions. The vendor will be notified in writing by purchase order change notice of any requirements for any increased or decreased quantity(ies).

This purchase order may be renewed with the same Terms Conditions as long as the referenced DIR Contract remains in force, a need exists, and both parties agree.

Upon expiration of lease Vendor must sanitize (multiple pass overwrite) the internal hard drive of the copier. The Vendor must provide TxDMV an attestation which includes the serial number of the copier that the hard drive was removed from and the date it was sanitized.

Payment:

Payment will be made in accordance with the Texas Prompt Payment Act, TGC, Subtitle F, Chapter 2251. Vendor shall submit one copy of a correct itemized invoice showing the purchase order number, payee ID., remit to address, and phone number on invoice. Vendors may submit an electronic invoice. All electronic invoices shall be sent to DMV\_FIN-INVOICES@txdmv.gov (note: There is an underscore "\_" between DMV and FIN). All invoices received at the email address will be filed for future reference and you will receive a receipt confirmation email. To avoid the confusion of duplicate invoices, please do not send other copies of this invoice via regular mail, fax or other means. On emails for electronic invoices, include the company name (as it appears on the invoice) and the purchase order number in the subject line to assist in identifying and processing your invoices in a timely manner. TxDMV will not incur any penalty for late payment if payment is made in 30 days or less from receipt of goods or services and a correct invoice, whichever is later.

Note: warrants will not be issued to a vendor without a current Texas Identification Number.
