TO: All County Tax Assessor-Collectors

SUBJECT: Revised State of Tennessee Certificate of Title

PURPOSE

To inform you of revisions made to the State of Tennessee Certificate of Title.

DETAILS

The issuance of the new certificate of title from the State of Tennessee is effective on July 1, 2000. The revised certificate of title has embedded security features and is a larger size of 8-1/2" x 11" with the top 1/3 of the form serving as a removable notification of lien release. Both the current title form as well as this new revised title form will be used simultaneously until Tennessee's county clerks are able to print the larger revised title forms. All previous versions of the title document remain valid. Attached for your information are copies of a notice from the State of Tennessee and a sample certificate of the revised title.
