TO: All County Tax Assessor-Collectors

SUBJECT: Revised State of Illinois Certificate of Title

PURPOSE

To advise that the State of Illinois has issued a revised certificate of title.

DETAILS

Effective August 21, 2000, the State of Illinois issued a new laser printed certificate of title. Previous versions of the certificate of title are valid until the stock is depleted. The new size of the document is 8-½ inches by 11 inches with the following incorporated changes and security measures:

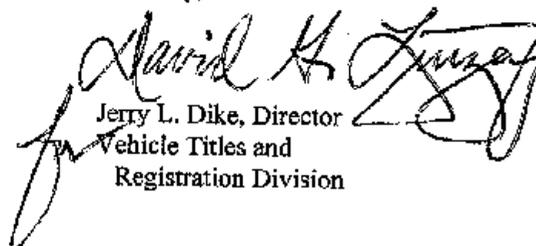

- A step and repeat venue will be in the vehicle information area.
- The vehicle identification number and odometer are repeated and inverted. A second stage vehicle will indicate both vehicle identification numbers as inverted.
- The front of the title document, which has a release of lien, will also have a new lien assignment area.
- A new background can be observed, which is a cube pantograph motif.
- A new watermark can be observed, which is the Great Seal of the State of Illinois.
- The back of certificates will have five dealer assignments.

Salvage and junking certificates will retain their own unique color. Copies of the notice from the State of Illinois and a sample certificate of the revised certificate of title are attached for your information.
