## Registration and Title Bulletin: # 148-01

**TO:** All County Tax Assessor-Collectors

**SUBJECT:** Texans Conquer Cancer Special License Plates

### PURPOSE

To provide you with information regarding a new special license plate that will become available to the public December 2001.

### DETAILS

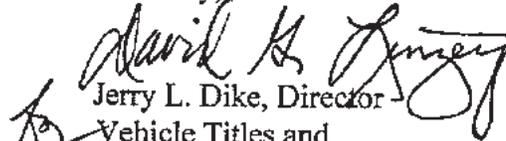

The 77<sup>th</sup> Legislature authorized creation of a new special plate category. The plate features a red, white and blue heart with a star and "Texans Conquer Cancer". The plate also has the legend "Support Patient Services" across the bottom (see attached). The Texans Conquer Cancer license plate is available for passenger cars and light trucks for a \$30 special plate fee, plus \$40 if personalized. These fees are in addition to the regular annual registration fee. Of the \$30 special plate fee, \$25 will be deposited in the general revenue fund to the credit of the Texans Conquer Cancer account established by Section 102.017, Health and Safety Code. This money will be used only to make grants to nonprofit organizations that provide support services for cancer patients and their families. The remaining \$5 will be used to defray the cost of administering this section. There are no special requirements to qualify for plate ownership, so application procedures will be similar to those for personalized license plates.

Attached are the appropriate pages for the Registration Manual, a copy of the bill, and a copy of the Application for the Texans Conquer Cancer License Plates. These forms will be distributed as soon as they are printed, but in the meantime, the attached form can be photocopied for distribution to customers.
