## Registration and Title Bulletin # 043-01

**To:** All County Tax Assessor-Collectors

**Subject:** Factory Delivery Permits

### PURPOSE

To advise you that revised Factory Delivery Permits are being delivered to you along with this bulletin. We have increased the size of the expiration date for law enforcement purposes and to be consistent with other registration permits. Attached is a copy of the revised permit, with examples of the expiration month, date, and year portion completed.

### DETAILS

Counties that have a current stock of Factory Delivery Permits should discontinue using the old version. These counties should contact their regional office for guidance on the proper procedure to delete and remove their old inventory. Counties receiving Factory Delivery Permits for the first time should enter their inventory under current procedures.

The revised permits have been printed and are stocked in Huntsville. Additional permits should be ordered through your Regional Office. Factory Delivery Permits are considered an accountable inventory item and will be audited along with other inventory items.

### DESTRUCTION OF CURRENT STOCK

PLEASE DO NOT DESTROY YOUR CURRENT STOCK ONCE REMOVED FROM RTS. The old permits will be inventoried and picked up by your Regional Office in a scheduled visit.

### VTR CONTACT PERSON(S)
