Subject: Nominations for the 2001 Star Award

PURPOSE

To solicit nominations for the division's 2001 VTR Star Award.

DETAILS

It's time to accept nominations for the 2001 VTR Star Award. The Vehicle Titles and Registration Division (VTR) has many outstanding employees who deserve recognition for their contributions to internal and external customers. That's why we created the VTR Star Award. This annual program honors one employee from our headquarters offices and one employee from our field offices. Last year's winners were Ms. Mary Davenport, Special Plates, and Ms. Barbara Ward, Longview Region Manager.

Selection criteria guidelines and nomination forms are attached for your use. We invite you to submit your completed form in a personal and confidential envelope to Jerry Dike, TxDOT VTR, Attn: VTR Star Award, Austin, TX 78779-0001. Deadline for submitting entries is September 7, 2001. We plan to recognize the award recipients during November's VG Young Institute in College Station.
