## Registration and Title Bulletin # 011-01

**TO:** All County Tax Assessor-Collectors

**SUBJECT:** Annual Notification Concerning Retention of Additional Registration Fees

### PURPOSE

To provide information regarding Transportation Code §502.102 which provides that each county shall retain additional registration fees in an amount equal to five percent of the motor vehicle sales tax and penalties collected under Chapter 152, Tax Code, in the preceding calendar year.

Actual sales tax information captured in the Registration and Title System (RTS) is being used to calculate the preliminary 2000 motor vehicle sales tax revenues for each county as of November 30, 2000. The amount shown for your county in the column labeled "Sales Tax Credit" is the five percent amount you are entitled to retain during calendar year 2000, as of November 30<sup>th</sup>.

Therefore, on January 1, 2001, in addition to the motor vehicle registration fees that you retain as currently provided under Transportation Code §502.102, you are also retaining this amount. RTS is currently using these amounts when generating reports for counties.

Around March 2001, the Comptroller will provide this division with a certification of the actual amount of motor vehicle sales tax and penalties collected by each county in calendar year 2000 under Chapter 152, Tax Code. Should the actual amount of tax and penalties collected by your county differ from the amount of the Comptroller's original estimate, your office will be notified accordingly so that an adjustment can be made. Any changes will be reflected in the RTS reports.

The amount of motor vehicle registration fees collected by some counties may be insufficient to cover the amount authorized to be retained under Transportation Code §502.102. In those instances, the Comptroller shall, upon request of the county tax assessor-collector, authorize the county to retain a portion of the motor vehicle sales tax to cover the deficiency. Questions regarding motor vehicle sales tax should be directed to the Comptroller of Public Accounts, PO Box 13528, Austin, Texas 78711, 512/463-4600. Other questions concerning this subject may be directed to your local Regional Office. Thank you very much.

Sincerely,

Jerry L. Dike, Director  
Vehicle Titles and  
Registration Division
