PURPOSE

To advise you of revisions to the Form VTR-275, Request for Texas Motor Vehicle Information, and to provide a copy of the revised form for reference purposes.

DETAILS

The revisions are the result of the enactment of HB 1544 and HB 1365, Acts of the 77th Texas Legislature, 2001 that relate to the release of personal information (refer to RTB 121-01). The significant revisions include:

- Addition of "STATE/AGENCY OF ISSUANCE" to the identification area to enable validation of the form of identification being provided by the requester, if necessary.
- Changed the order of the "Permitted Uses" on the reverse side to correspond with the order of the uses as listed in law.
- Added (D)(2) "for child support enforcement, under Chapter 231, Family Code" as a permitted use.
- Revised the *Resale and Redisclosure* statement on the reverse side to advise that:
 - "Copies" of resale records must be provided to the department upon request; and
 - The information obtained from the department may not be resold or redisclosed in the "identical or substantially identical format as it is received from the department."
