Registration and Title Bulletin # 172-01

TO: All County Tax Assessor-Collectors

SUBJECT: Moratorium on Secondary Installations of RTS Workstations

PURPOSE

To inform you of our need to establish a temporary moratorium on secondary installations of RTS workstations at county tax offices.

DETAILS

Beginning January 11, 2002 and continuing through March 1, 2002, we will be unable to install additional RTS workstations, allocated or leased, in the county tax offices. Our Information Systems Division (ISD) is in the process of renegotiating a new service level agreement to support RTS. Stability of RTS equipment in the county tax offices will facilitate the transition to the new support arrangement. We will be able to respond to emergency situations.
