## REGISTRATION AND TITLE BULLETIN #150-01

**TO:** All Law Enforcement Agencies

**SUBJECT:** Years 2003, 2004, 2005 Windshield Validation Stickers

### PURPOSE

This is to provide you with information and samples of the 2003, 2004, 2005 Windshield Validation Stickers (see attachments).

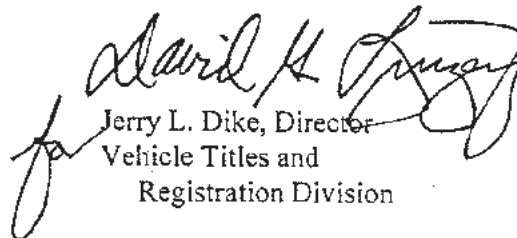

### DETAILS

Due to issuance of multi-year registration for motor vehicles, the windshield validation stickers for the years 2003, 2004, 2005 are now available in the County Tax Assessor-Collector Offices. The "03" windshield validation sticker is green with black alpha/numeric characters. The "04" windshield validation sticker is dark blue with black alpha/numeric characters. A replica of the Texas State Flag with red, white and blue colors with black alpha/numeric characters will be depicted on the "05" windshield validation sticker. Each respective year's windshield validation sticker includes the same security features of slits in the corners and an "X" cut in the center. These security features deter theft as they prevent the sticker from being removed intact. A windshield validation sticker with a bar under the year indicates a sticker issued by an affected county, (or a county that has an emissions inspection/maintenance program), i.e. currently Dallas, El Paso, Harris, and Tarrant. A windshield validation sticker without a bar indicates an unaffected county.
