Registration and Title Bulletin # 055-01

To: All County Tax Assessor-Collectors

Subject: Bluebonnet License Plate

PURPOSE

To provide information regarding the new Bluebonnet special license plate, which will become available to the public in mid-June.

DETAILS

A new special license plate for Texas Parks and Wildlife, the Bluebonnet plate has been approved for issuance. The plate features a Bluebonnet and has the legend "PARKS AND WILDLIFE" across the bottom of the plate (see attached).

NEW ACTION

The Bluebonnet special license plate is available for passenger cars and light trucks for a \$25.00 annual fee, or \$65 if personalized plates are requested. These fees are in addition to the regular annual registration fee. Of the \$25 special plate fee, \$20 is deposited to the credit of the Texas Parks and Wildlife capital account established by Section 11.043, Parks and Wildlife Code, and \$5 is used to defray the cost of manufacturing and administering the plate. There are no special requirements for plate ownership, so application procedures will be similar to those for personalized license plates.

The application for Conservation license plates (Horned-Lizard & Bluebonnet) plates, Form VTR-52, has been revised to include the Bluebonnet plate. Pads of these forms have been distributed. The appropriate index pages for the Registration Manual will be sent at a later date.
