## Registration and Title Bulletin # 067-01

**TO:** All County Tax Assessor-Collectors

**SUBJECT:** Apprehension Reports

### PURPOSE

To inform counties of changes made to the reports received after an apprehension is completed.

### DETAILS

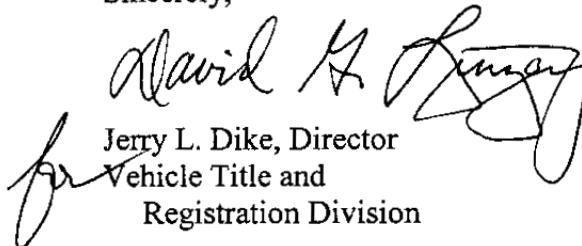

In anticipation of the RTS Version 4.2.0 release, changes were made to the Apprehension Report RTS.ACC.4672. The receiving county will see a new notation "THIS AMOUNT, WHICH WAS COLLECTED BY THE APPREHENDING COUNTIES, HAS BEEN ADDED TO A CREDIT FUNDS CATEGORY OF 'APPREHCRDT' FOR XXXX COUNTY" on this report. The fees collected by the apprehending county will be added to the receiving county's Monday Registration Report. See Attachment 1.

The Funds Remittance Monday Registration Report RTS.ACC.4604 will reflect this new funds category with a negative amount. The 'APPREHCRDT' will automatically be reduced from the report totals. The apprehension credits will no longer be seen on the Funds Remittance/Acknowledgement ACC009 Screen in the credit field. It will now be seen as the funds category 'APPREHCRDT'. See Attachment 2.
