

## DELINQUENT TRANSFER PENALTY

**RTS Effective Date:** January 1, 2008

New delinquent transfer penalties apply to non-dealer Texas title transactions, with some exceptions, for vehicles that have valid Texas registration on the date of sale or transfer date. Title transactions submitted by licensed dealers continue to be subject to the same delinquent transfer penalty as always.

If a new delinquent transfer penalty is applicable, it must be manually calculated and collected via the Additional Collections Event. A new Account Code – **DELQ TRANS PENALTY 2008** – is now available.
