Re: New Title Stock Security Features and Centralized Fulfillment

New Title Paper Stock Security Features:

The Indiana Bureau of Motor Vehicles has enhanced the security features of the Indiana Certificate of Title for Motor Vehicles. The first title number on the new stock is 8805001. Please review the enhancements using the links below.

Centralized Fulfillment:

The Indiana Bureau of Motor Vehicles now utilizes a central fulfillment process in which plates, registrations and decals are issued from a central location. Vehicle registrations are valid at the time payment is processed. Customers will receive license plates and registration documents in 10 to 14 days from the date the transaction is processed.
